

S. T. O. W.

Sealed Tube Of Wealth

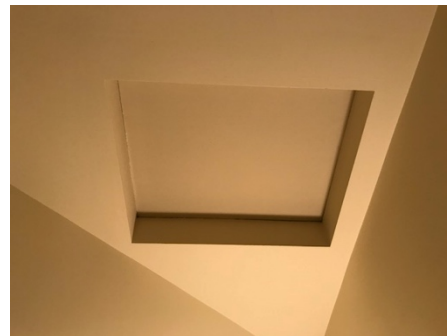

Some of the best places to hide things are “under one’s nose, under one’s feet, or over one’s head”. The S.T.O.W. was designed to be hidden or buried.

Under stairs (could get 2-3 S.T.O.W.S in there)

Up in your utility room rafters or in the attic rafters

Bury it on your property

Suggested Preparation to Bury

- Ensure Silica packet is inside.
- Put contents in freezer zip lock bags.
- Tighten the caps with a pipe wrench.
- Place S.T.O.W. in heavy Contractor plastic bags and secure with tape.

Disclaimer: While the S.T.O.W. is designed to be water resistant, Miles Franklin is not responsible for the condition of your contents given the user is responsible for preparing the contents and S.T.O.W.
